## **J. Amedee Paul**

Representative to State Legislature 1957-1958

Trustee Hills Memorial Library 1948-1952

Civil Defense Director 1950-1951

Dr. H. O. Smith School Building Committee

Draft Board Member of Hudson

**DIED OCTOBER 5, 1960**

•

The seal on the back cover was made from a picture taken from a painting in the History of Hudson, written by Kimball Webster. This Garrison was built by the Hill Brothers about 1710 for protection from the Indians and was located off Webster Street on the property now owned by George W. Colby, Jr. and known as the Garrison Farm. It was our report cover for the year ending 1954. This seal was produced by Henry Fraser of Reed Street.

## THE TOWN OF HUDSON

### THE STATE OF NEW HAMPSHIRE

To The Inhabitants of The Town of Hudson in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Dr. H. O. Smith School Auditorium in said Hudson on Tuesday the 14th of March next to elect Town Officers for the ensuing year by ballot for which purpose the polls will open at 10:00 A. M. and close at 8:00 P. M., and to act upon the following subjects at 7 o'clock in the evening:

1. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.
2. To see if the Town will vote to accept numerous bequests as Trust Funds, the income to be used for the perpetual care of the various cemetery lots.
3. To see if the Town will vote to authorize the Selectmen to pledge the credit of the Town up to \$275,000.00 in anticipation of taxes.
4. To see if the Town will vote to authorize and empower the Selectmen to sell and convey any and all real estate acquired by the Town for unpaid taxes.
5. To see if the Town will vote to give regular employees of the Highway Department two additional paid holidays, making a total of eight paid holidays each year. By petition.
6. To see if the Town will vote to raise the salary of the Tax Collector by \$600.00 (Annual salary would be \$4,000.00). By petition.
7. To see if the Town will vote the sum of \$500.00 to continue improvements to the Hudson Center Playground. By petition.
8. To see if the Town will vote to amend Section 4 of Article I of the Zoning Ordinance as adopted at a Special Town Meeting held January 12, 1956 and adjourned to July 17, 1956 as follows:

Add a new paragraph (k) to said Section so that said paragraph shall read as follows:

(k) Beginning at a point on the west side of Lowell Road where the north line of Sagamore Park Road intersects; thence, (1) Westerly by the north line of Sagamore Park Road and an extension of the same to the east bank of the Merrimack River; thence (2) Northerly by the east bank of the Merrimack River to a point that lies on a line which is at right angles to the Lowell Road at the center of the Willis Fuller Brook or Third Brook; thence (3) Easterly to a point on the westerly line of said Lowell Road at the center of said Willis Fuller Brook or Third Brook; thence, (4) Southerly by the westerly line of said Lowell Road to the point of beginning at Sagamore Park Road. By petition.

9. To see if the Town will vote to authorize the Selectmen to purchase a new Mack Truck (\$7,600.00), dump body (\$1,360.00), snow plow assembly, complete (\$4,200.00) for a sum not to exceed \$13,200.00 and issue serial notes for same. \$2,200.00 to be raised this year, 1961, and the balance to be paid by the issuance of five serial notes, one payable each succeeding year, 1962 through 1966.

10. To see if the Town will vote to authorize the Selectmen to purchase a new, 750 gallon-per-minute triple combination fire truck for a sum not to exceed \$21,000.00 and issue serial notes for same. \$3,000.00 to be raised this year, 1961, and the balance to be paid by the issuance of six serial notes, one payable each succeeding year, 1962 through 1967.

11. To see if the Town will vote to hire a second regular police officer for an annual salary not to exceed \$4,000.00 and to raise the sum of \$3,000.00 this year.

12. To see if the Town will vote to hire a laborer for the Highway Department at the rate of \$1.50 per hour and raise the amount of \$3,200.00 for same.

13. To see if the Town will authorize the Selectmen to work with any projects and accept any funds made available through the New Hampshire Public Works and Highways Division and the Federal Road Administration to facilitate traffic flow at the present Taylor Falls Bridge, or any new location. The financing of any change that cannot be incorporated under the Town Road Aid "B" Fund, which the Town must support, to be presented at a future Town Meeting.

14. To see if the Town will authorize the Selectmen to negotiate with, and secure one-year purchase options from, property owners for the acquisition of land for a sewage treatment system. To secure estimates of construction costs, methods of financing under Federal Public Laws 660, 84th Congress and New Hampshire Revised Statutes Annotated, Chapter 267, laws of 1959. These plans to be approved by the New Hampshire Water Pollution Commission and brought into a future meeting for action.

15. To see if the Town will vote to accept the seal on the rear cover of this Town Report as the official seal of the Town of Hudson.

16. To see if the Town will vote to appropriate a sum of \$25,000.00 for the purpose of constructing a new sewer extension to serve Pinedale Avenue, Oak Avenue, Cross Street, Clark Street and parts of Porter, Andrews and Riverside Avenues pursuant to Chapter 252, New Hampshire Revised Statutes Annotated. Such sum to be raised through the issuance of serial bonds under, and in compliance with, provisions of the Municipal Finance Act (Chapter 33 of New Hampshire Revised Statutes Annotated) and authorize the Selectmen to issue and negotiate such bonds and to determine the rate of interest thereon and the time and place of payment thereof and to take such other action as may be necessary to effect the issuance, negotiation and rate of such bonds as shall be in the best interest of the Town of Hudson. By petition.

17. To see if the Town will vote to amend the Zoning Ordinance by adding to Article X the following section:

Section 3. Additional Duties.

In addition to the duties outlined in section 2 said Board of Adjustment may in harmony with the subject to the provisions of Chapter 31 Section 67 New Hampshire Revised Statutes Annotated, 1955:

A. Permit in the rural and commercial areas an industry which at a public hearing proves it will meet the following requirements:

1. Be located at least 60' from the edge of any right of way, and not less than 35' from each side and rear boundary line.

2. Provide adequate parking facilities for:
  - a. Freight and delivery trucks and
  - b. Employee parking.

3. Will not offend by reason of the emission of smoke, dust, gas, noise, odor or fumes.

4. Receive from the applicant for a permit under this section the written approval, either formally or informally as the Board may require, a statement from the majority of real estate owners within five hundred feet of the location of the proposed industry.

18. To see if the Town will vote to amend the Zoning Ordinance by striking out in Article III the following: Section 1 (a); Section 6, last two lines starting with "no building" and ending with "stories"; Section 7 (c) "no building or structure shall be built of a height of more than two stories" and insert the following in each section: "no building or structure shall be built of a height of more than 35 feet and shall not be over three stories above ground. Any three-story building must be built according to the National Building Code."

19. To see if the Town will abandon that portion of the old Lowell Road westerly of the layout as recorded June 13, 1895 in the records of the Town Clerk, lying between the premises of Edward J. Denault on the north and land of Edmund and Rose M. Jette on the south, being property formerly of George E. and Ruth I. Smith.

20. To see if the Town will vote to amend Section 4 of Article I of the Zoning Ordinance by adding at the end thereof the following new paragraph:

(j) Beginning at a point 300' easterly of the Lowell Road and in line with the south line of Riverside Avenue; thence, (1) in a northeasterly direction to the center of the bridge over Ottarnic Brook where Ottarnic Brook crosses Melendy Road; thence, (2) Southeasterly and southerly by Melendy Road to the intersection of Melendy Road and Pelham Road; thence, (3) Southwesterly from the intersection of Melendy Road and Pelham Road to a point on Burns Hill Road, said point being approximately 1725 feet southeasterly of the intersection of Burns Hill Road and Pelham Road; thence, (4) Southwesterly about 3125 feet more or less to the Lowell Road; thence, (5) Northerly by the easterly side of said Lowell Road to a point on the easterly side of said Lowell Road opposite the north line of Atwood Avenue; thence, (6) Easterly in a line which is the extension of the north line of Atwood Avenue 300 feet; thence, (7) Northerly parallel with and 300 feet east of the easterly line of said Lowell Road to the point of beginning.

21. To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and administer any grants in aid from private foundations, trusts or other charitable groups; from any State or Federal agencies and from any other source or sources for municipal purposes; or for any assistance in performing municipal services where no appropriation or financial liabilities on the part of the Town of Hudson is concerned or involved.

22. To see if the Town will vote to abandon that portion of Elm Street that lies southerly of the present southerly line of Elm Avenue as laid out and constructed during 1960 and lying westerly of the so-called Derry Road between the southerly line of Elm Avenue and land of Ernest E. Morey and Leonard McCallum. This section of Elm Street or Elm Avenue having been reclassified by the New Hampshire Department of Public Works and Highways by their letter to the Board of Selectmen dated December 23, 1960.

23. To see if the Town will vote to ratify and confirm the adoption of the Building Code in accordance with the action taken at the Special Town Meeting called June 12, 1956 and adjourned to July 17, 1956 as required by Chapter 156A, New Hampshire Revised Statutes Annotated, 1955 as amended.

24. To see if the Town will vote to purchase rescue equipment in the amount of \$400. (\$295.00 for a Porter Power "P-FRK-4" and \$98.00 for a portable electric saw).

Given under our hands and seal this 25th day of February in the year of our Lord nineteen hundred and sixty-one.

ROBERT C. LYNCH  
FRANK A. NUTTING, JR.  
LAURENT S. BRAULT

Selectmen of Hudson, N. H.

†REPLACE THIS YEAR 1960

## EQUIPMENT ANALYSIS

TO THE BUDGET COMMITTEE AND THE TAXPAYERS OF HUDSON, we are writing this open report on equipment use, condition today and suggestions on replacement and additions, which we feel, if followed, will be for our mutual best interests, both financially and service-wise without a complete upset in our budget in any one year.

Under our type of Town Meeting Government, we cannot purchase new or replacement equipment without your approval at Town Meetings. Therefor, we are asking you, after reading this report, to come to us, or the department heads for any additional, accurate facts and figures which may be desired. Thus you will obtain them at first-hand rather than by hearsay. Then at Town Meeting vote for what you feel is best. Putting off what should be spent today, can cost far more tomorrow.

### The Highway Department

**1947 EH Mack.** This truck is 14 years old with 100,000 miles or more and should be removed from heavy duty service and used as a spare and for light work in summer, but still used for plowing in the winter. Next year, it would be advisable to put a sanding and salting body on it. This would add a few more years to its life before excessive repairs are needed.

**1947 EQ Mack.** This truck is used as a sander and salter and is in good shape now, but is 14 years old with 110,000 miles. In this type of service it will go a few years more.

**1952 Mack.** This one has just been overhauled and is good for a few years, or to about 1966. It has gone over 100,000 miles, also.

**1956 Mack** is in good shape, except for a ring and valve job, which is to be done this spring. It has 51,000 miles.

**1957 Loader.** The Loader has over 5000 hours on it and should be replaced within a year or two, as repairs become very heavy. It needs new tires this year at a cost of \$1200.00.

**1953 Cat Grader.** This machine is very good still. Replacement should be in 1968, but it is too early to set a positive date. It could go for years longer without serious breakdown.

Our recommendation for the Highway Department is to buy a new Mack with body and snow plow equipment to replace the 1947 EH. The cost of this unit is about \$13,000.00. Next year, get a sanding and salting body for the 1947 EH, giving us the two 1947 trucks for the tarvia and winter seasons. This would give us protection at all times in cases of breakdown, as well as speeding up operations. As all of us well know, breakdowns are more frequent with old trucks and high mileage. This would give us a fleet of three dump trucks and two salters. A fleet of this size will do for Hudson for many years. It is also our recommendation that, as the 1952 and 1956 trucks get older and are due for replacement, that we use them in place of the 1947 trucks which would be junked.

We have approximately 90 miles of town roads to maintain and plow. One piece of equipment is tied up during snow storms on the several miles of main roads which leaves us with only three other units to cover the other 80 miles. In order to make one trip each way on each road, or street, these three units must cover about 60 miles each, plus the dead-ends where back-tracking is necessary. The average speed is approximately 6 to 8 miles per hour. This, as you can see, requires ten hours to cover the Town once and by that time, in a heavy storm, the roads are again impassable. In order to keep our roads clear of snow and ice, as has been done in the past, as well as take care of all of the new streets which are being built, plus roads which the state is turning back to towns each year, we need the new truck now—not in years to come.

## The Fire Department

In the Fire Department another serious problem has been imposed. Our main pumping engines, which are the units that the insurance underwriters use in establishing insurance rates, are far from being worn out where only mileage and use are concerned, but failures from age and metal fatigue, as well as difficulty in obtaining parts, make this a major item to consider.

**Engine 1.** This truck is a 1941 Federal 500 gal/minute pumping engine and where this equipment is used to protect life and property, it should be replaced this year for about \$19,000.00.

It would be well to mention that our other engine is a 1946 and that all other equipment ranges from 9 to 27 years in age and their replacement must, also, be considered soon.

In the Fire Department we should plan to purchase a new 750 gal. pumping engine this year and the second one in 1967. Also, the pump on the 1948 Tank Truck is giving us trouble. This pump was purchased second hand in 1947 for \$200. and is now 20 years old which makes it impossible to obtain parts. A new one must be considered at approximately \$1300. The Chief has tried for the past few years to find a good used one, but none are available.

In purchasing new equipment for the Fire Department, the replaced engines should not be disposed of at the present time, at least. As the years have proved, there are many times when we have more than one fire at a time and this older equipment can be used. We are well aware that we have neighboring cities and towns who are only too glad to give us aid, which will be gladly accepted when there is need for it, but we must be equipped to take care of our own needs as much as possible. The trade-in value of old equipment is so low that for the better protection of the Town, it is to our advantage to keep it. We have a well-trained Civil Defense Auxiliary who could man these trucks if the need should arise.

We **must**, and must should be emphasized, consider the fact that as the Town grows and the years go on, we cannot, and must not, slip backward. Equipment has to be replaced and updating of services as well as improvement is necessary. When we put off what we should do today until a later date, it could completely bankrupt the Town. Let us keep on an even keel by doing a little each year. Lest we forget, we have had a 38% population increase in the past 10 years with no let up in sight. A forward look has to be considered. The 1950 population was approximately 4310; 1960 approximately 5800 and the estimated population for 1970 is about 7200. Let's go forward!

THE BOARD OF SELECTMEN

## SEWER TREATMENT STUDY COMMITTEE

The Committee with Town Officials made a trip to Derry to look over a Lagoon System and to Goffstown to see a Primary Treatment System. Both towns are slightly larger than Hudson and their systems are the size which we would require. The Lagoon System from the best estimates available, will cost \$100,000 and the Primary Treatment System about \$250,000.

The advantages of the Lagoon System over the Primary System are its low cost of construction and its requirement of only about ten hours a week for upkeep, or about \$1000 per year. The Primary System, on the other hand, requires approximately forty hours per week of upkeep or around \$4000 per year. The greatest disadvantage of the Lagoon System is its land requirement of thirty acres over five acres for the Primary System.

From our own experience on our field trips and available information, the odor is so slight that either system can be constructed within a few hundred feet of a residential area with no annoying odors, even with the wind blowing. We stood in the middle of a clover leaf system within twenty feet of the ponds and could detect no odor.

After the report of the Selectmen's conference with Mr. Healey of the New Hampshire Water Pollution Commission and reading the reports in the Readers Digest last summer, we feel that a Lagoon System along the river, starting near the sewage outfall at the old Rochester Railroad bed, would be advisable. Land running southerly approximately 2000 feet from this point and 500 feet easterly should be obtained just as soon as possible before homes or industries are built in that area. This land is now of low value, and where we are under order from the Water Pollution Committee to start work immediately, we feel that we should not delay any longer.

We will continue to serve you to the best of our ability as long as such services are required.

SEWER TREATMENT STUDY COMMITTEE

Edward R. Kinville  
William A. Worth  
Robert C. Smith

To the Sewer Treatment Committee and the Voters:

As all are well aware, we are under order to progress in the treatment of sewage by the Water Pollution Committee, under New Hampshire Revised Statutes Annotated.

We have worked with the Committee and concur with their report. An article will be presented for your action, and if favorable action is taken, we will follow it up with the Sewer Treatment Committee and bring in a cost figure at a future meeting.

The financing of this program is under the Federal Government Public Law 660, 84th Congress, with a 30% grant and by the State of New Hampshire Chapter 267, laws of 1959, for a 20% progress payment on the bond issue for the length of the issue. The balance will have to be financed by the Town as a bond issue.

## THE YEAR 1960

To the citizens of the Town of Hudson:

This is 1961, a year which should be quite interesting. We need new equipment for the Highway and Fire Departments, an additional Police Officer and another laborer for the Highway Department. We must also proceed with our sewage disposal problem without delay. All of these, we hope, can be accomplished with only a slight increase in tax rate.

We have spent many hours in reviewing the assessment records. Approximately one hundred, which we felt were low even though they had had no improvements, were raised. You will find elsewhere in this report a record of all of the property valuations published for your inspection.

We welcome the expansion of the former Ruge Associates, Inc. which is now known as the RdF Corporation, The Daw Tire and Supply Company, Inc. and Contact, Inc., which are the largest of our new enterprises, however sincere welcome is also extended to several smaller businesses which have developed in Town this year.

Our Relief expense took a decided jump in 1960. Two new cases were added to our list this year which involved large hospital bills. One was in excess of \$2000. The doctors donated their services in both cases. Also, Old Age Assistance was nearly doubled from \$4,259.00 in 1959 to \$7,648.00 in 1960. Hudson is one of the four towns in Hillsborough County which took advantage of the Surplus Food Distribution and we delivered foods to approximately twenty-five families during the year.

We contacted the State Tax Commission for excess expenditures of \$7,900. to cover over-expenditures of Relief and Election and Registration, but it was found that, of this amount, only \$1,618.24 was needed to balance the budget. The change in net debt is due to the new sewer construction.

The Fire and Police Department reports will give you some idea of their activities, but we must commend the Police for the solving of the Benson break and the Fire Department for the excellent low loss record.

It also should be noticed that calls in both departments for accident and rescue work are increasing steadily and we are, therefore, requesting some equipment under the New Equipment Item to expedite these rescue operations.

The air compressor, grease gun and power saw were put out to bid and purchased early in the year. Small items of this nature should be added each year to increase efficiency and to better maintain the heavy equipment.

The Highway Department completed almost all of this year's projects as well as some which were held over from previous years. Surfacing was done on Musquash, West Windham and Sagamore Roads, Bond, Blackstone, Vinton, Bruce, Abbott, Chapin, Nottingham, Power Streets and Elm Avenue. Also, major work was done on Canna Path, Bungalow, Stanley, Ridge Avenues and others. Many more were improved and sealed, besides the repair of the streets which were torn up where sewer pipe was installed.

The Civil Defense Organization is growing steadily. The nurses are all organized and can be contacted readily. We are now working on the project of an emergency hospital with a minimum of ten beds, which we hope to have in operation by the end of 1961.

About thirty members of the Fire, Auxiliary Fire, Auxiliary Police, Engineering and First Aid groups have completed a light rescue course. It was an excellent course which was taught by Leo Burgess of Bedford, N. H. We hope that this particular knowledge will never need to be of use, but in this day and age, we must be prepared.

After nearly thirty months of negotiations with the State and Federal Civil Defense Organizations, we have at last on order an emergency Civil Defense warning network which we expect will be in operation in 1961. Many evenings and weekends have been spent in running the wire for this and we wish to thank those who gave so much of their time.

We are still in need of active volunteers for the Fire and Police Auxiliaries. We should be pleased to receive calls from anyone who is interested. The Fire Chief and Police Chief may also be contacted.

Considerable time was also spent with the New Hampshire Public Works Department, City of Nashua Officials and our Planning Board relative to traffic flow in and near the bridge. We all feel that a new bridge is needed, although not quite as close to the present one as proposed. We also disapprove of the one-way traffic flow at the bridge which would necessitate the elimination of some of the present business buildings. We are working on another plan that, we feel, would mean considerable less tax loss as well as better flow and control of traffic.

We wish to express our deep appreciation to all those who have assisted us in offices, on committees, as employees of the various departments or in any other capacity during the past year.

BOARD OF SELECTMEN

## ORDINANCE

### An Ordinance Relating To The Use Of Dynamite And Other Explosives

Be it ordained and enacted by the Selectmen of the Town of Hudson, New Hampshire:

Section 1. That no person within the Town of Hudson shall engage in the use of dynamite or other explosives, excepting gunpowder, without first obtaining a permit from the Board of Selectmen.

Section 2. That any person applying for such permit shall file with the office of the Selectmen a copy of a liability insurance policy, issued by some insurance company authorized to do business in New Hampshire, in an amount of not less than \$10,000. property damage and not less than \$100,000. personal injury coverage. Such liability policy must extend coverage to the applicant for damage or injury sustained in the course of using dynamite or other explosives.

Section 3. After obtaining such license the applicant shall seasonably notify all persons within five hundred (500) feet of the proposed site where such explosives are to be used, that the blasting is to take place. All roads within five hundred (500) feet of the proposed blasting site shall be suitably posted with signs and/or road guards.

Section 4. That any person violating this ordinance shall be guilty of a misdemeanor and shall be subject to a fine of not less than \$10.00, and each day that this ordinance is violated shall constitute a separate offense.

Section 5. That this ordinance shall take effect and be in force from and after May 16, 1960.

Passed and approved by the Board of Selectmen this 16th day of May, 1960.

ROBERT C. LYNCH  
FRANK A. NUTTING, JR.  
LAURENT S. BRAULT

Board of Selectmen of the  
Town of Hudson

March 16, 1960

**An Ordinance Regulating The Parking  
Of Vehicles On Connell And Water Streets**

Be it ordained by the Board of Selectmen for the Town of Hudson,  
New Hampshire:

(1) The parking of motor vehicles or other vehicles shall not be permitted on the SOUTHERLY SIDE OF CONNELL AND WATER STREETS FROM THEIR INTERSECTION OF LIBRARY STREET to a point 500 feet easterly.

(2) Any person parking a vehicle in the above restricted areas shall be subject to a fine not to exceed five dollars (\$5.00) and costs.

This ordinance shall take effect upon its passage.

Filed March 17, 1960

John E. Baker, Town Clerk

ROBERT C. LYNCH  
FRANK A. NUTTING, JR.  
LAURENT S. BRAULT  
Selectmen of Hudson

## PLANNING BOARD

Your Planning Board submits the following report for the year of 1960:

The board reorganized early in the year with a new chairman and clerk. Meetings were scheduled for the last Tuesday in the month at 7:30 P. M., to be held at the office of the Selectmen.

A new pamphlet on the Zoning and Subdivision regulations of the Town were published, and can be purchased at the Selectmen's office or from the Building Inspector. Anyone planning to build or sub-divide should have a copy.

Many new sub-divisions were submitted this year, showing the board that long range planning must be very carefully considered.

Members of the Planning Board were in Concord with the Selectmen, Town Representatives, and the Town Road Agent to hear the preliminary report or survey on the need for a bridge or bridges to Nashua. We were very much dissatisfied with the report as given to us. We felt that it was lacking in the total understanding of the situation.

A bridge is needed immediately for the future development of the town and its lack is very seriously hampering our growth right now. We are going along with Nashua in asking for a Bridge as soon as possible regardless of where it is located.

Your board realizes the need for better approaches to the Taylor's Falls Bridge and are looking into the feasibility of rotaries, one way streets, and lights.

GORDON L. SMITH

Chairman

## POLICE DEPARTMENT REPORT 1960

Your Police Department has had one of the busiest years since the Town has been incorporated. As you people realize, the Town is growing larger, more people are moving in and more streets are being added, which have to be patrolled. The number of complaints and investigations have grown by leaps and bounds. However, your Police Department has operated with the same personnel and has **not** grown with the Town. Two additional police officers are needed to take care of the additional load.

Complaints registered	4014
Property and money recovered	\$23,011.17
Accidents reported and investigated	272
Breaks reported	19
BREAKS CLEARED UP	16
Two car accidents with damage over \$50 or personal injury	119
One car accidents with damage over \$50 or personal injury	36
Three car accidents with damage over \$50 or personal injury	2
Accidents involving utility poles	10
Accidents involving deer	2
Accidents involving trees	2
Accidents involving motorcycles	2
Accidents involving bicycles	2
Accidents with damage under \$50 and no personal injury	97

There were three fatalities and fifty-nine persons injured in the above accidents.

There were 166 persons arrested and convicted for the following violations:

Armed robbery	3
Accessory before robbery	1
Accessory after robbery	1
Speeding	96
Hit and run accidents	2
Stop sign violations	6
Careless and negligent operation	8
Center line violation	11
Unregistered motor vehicles	2
Defective brakes	1
Petty larcenies	3
Grand larceny	1
Operating after revocation of plates	2
Passing red light	2

Operating without a license	3
Left wheel to curb	1
Assault and battery	2
False pretenses	2
Operating while under the influence	4
Drunk	2
Unregistered trailer	1
No safety chain on trailer	1
Lascivious act	1
Malicious destruction	2
Passing on curve	1
Shooting too close to buildings	2
Unnecessary noise	1
Concealing mortgage property	2
Contributing to delinquency of a minor	1
Allowing improper person to operate a car	1
Number of cases in Juvenile Court	4
Persons transported to State Hospital	4
Persons transported to Hillsborough County Jail	8
Persons transported to Hillsborough County Farm	3
Persons transported to Industrial School	2
Number of times assistance given to other Police Departments	221
Number of times assisted by other Police Departments	233
Homes checked for persons on vacation	327
Street lights reported out to Public Service Co.	191
Doors found unlocked and owners notified	52
Windows secured and owners notified	33
Stolen cars recovered	11
Bikes recovered	29
Lost children located	43
Emergency runs to hospitals in cruiser	35
Emergency runs to hospitals in CHIEF'S PRIVATE CAR	11
Emergency runs to hospitals in ambulance	53
Persons questioned	331
Motor vehicles checked which were left on highway	61
Warnings issued for minor infractions	234
Bikes registered and scotch-reflectorized tape issued	448
Dogs taken care of by Humane Society and Police Department	98

SAFETY SIGNS WERE POSTED ON SEVERAL STREETS AND ROADS

WE ALSO MARKED MANY STREETS AND ROADS WITH LINES AND ASSISTED THE STATE IN MARKING OTHERS

In this report to you, the Town's People, I have previously referred to the growth of the Town. This, in many ways, causes a tremendous increase in the work load of the Police Department. As the population and the number of homes increases, the complaints, accidents, larcenies and housebreaks increase. As new streets are added and roads improved the number of traffic accidents multiply and the need for additional patrolling arises. The nightly check of all business establishments is a worthwhile, but time consuming, job and as each new company is added these hours are augmented.

Each year more and more of my time is being taken up in investigations and prosecuting cases which leaves very little time for the routine patrolling and checking of property. If the additional officers on a regular schedule are not put on this year, the services of the Police Department cannot be maintained adequately.

Regular meetings have been held at the Police Station and the Special and Auxiliary Officers have been receiving instructions in all phases of police work such as, accident investigation, criminal investigation, the handling of firearms, taking photographs of crime scenes and accidents, instruction in prevention of accidents and crime, first aid and all phases of police work so that they will be better prepared to protect and assist in any emergency. All this instruction is given to these men by your department without any cost to you, the public. The officers give their time so that they will be better prepared to serve you.

HUDSON POLICE DEPARTMENT  
Chief Andrew J. Polak

Auxiliary officers are:

Edward G. McLavey, Edgar Trudeau, Norman Vallerand, Maurice R. French, Ernest McCoy, Joseph E. Richard, Donald A. Merrill, Maurice J. Levesque, Gilbert E. Latulippe, Stuart Groves, Raymond Landry, Roland A. Bossie, Jr., Robert Dean, John E. Winslow, Arthur Kashulines, Carl F. Anderson, Sr., Omer Leclerc, Raymond Boisvert and Harold M. Bothwick.

All of the Officers and Auxiliary personnel are to be commended for their participation in the Civil Defense Drills that were held in our Town. The turnout of both units was very good and I want to thank them for taking so much interest in these drills.

CHIEF ANDREW J. POLAK

## THE BENSON WILD ANIMAL FARM ROBBERY

On the 13th of July of 1959 at 3:55 in the morning I was awakened by the ringing of the phone. It was a call from the Nashua Police Department stating that they had received a report from a telephone operator that someone had called her saying there had been a robbery at the Benson Animal Farm.

Little did I realize that this call meant the start of an investigation into one of the largest robberies in the history of this state and would last eight months.

Moments later when I arrived on the scene, I found the watchman, Charles Pelkey, covered with blood, staggering around in a dazed condition and in great pain. I gently put him into the cruiser with the aid of Joseph Acaris, the animal trainer, and rushed him to the hospital, where he remained for some days in a very serious condition.

An emergency call was put through to the State Police notifying them of the robbery and asked them to alert their cruisers to be on the lookout for three men who had been responsible for the robbery. They were told to use extreme caution as the men were armed and dangerous. The State Police sent a man down to assist me in the investigation.

I also notified the agent of the FBI who lives in Hudson of the robbery and he sent an agent to assist me.

After we had searched the premises for clues and had taken photos of the scene, we questioned Joseph Acaris, who lived on the second floor of the building where the robbery had been committed. It was impossible, at this time, to question Mr. Pelkey due to his physical condition.

There was very little information that Mr. Acaris could give us. He stated that he was asleep when he heard Mr. Pelkey cry out. He thought that some animal had broken loose, so he grabbed a baseball bat and went downstairs. As he opened the door he was met by a man with a grotesque rubber mask on who pointed a revolver at him. Mr. Acaris was ordered to turn around and not look at the man and not to say anything or he would get hurt. Mr. Acaris saw Mr. Pelkey lying on the floor in a bloody heap, moaning. He and Mr. Pelkey had their hands and arms bound behind them and were carried into the office and ordered to lie down on the floor. They were ordered to be quiet or they would be killed. One man with a gun watched them while the other two went into the room where the safe was kept. The gunman who was watching them ripped the phones out so that they could not be used.

The two bound men could hear the other two bandits working

in the other room on the safe, but never once did they dare to look up.

The bandits worked on the safe for about three hours, but to the two men who were tied up, it seemed as if it were days, not knowing whether, after the money was obtained, they would be beaten up or silenced forever.

One of the robbers came into the room and told the other one that they were ready to leave as soon as they loaded the equipment that was used in cutting the safe open. The three robbers then left with a stern warning to Mr. Pelkey and Mr. Acaris not to move for one hour or they would be shot.

As soon as the noise had subsided, Mr. Acaris freed his hands and arms and freed Mr. Pelkey and then went out to the booth in the yard and told the telephone operator what had happened and she, in turn, called the Nashua Police, who called us.

The robbers obtained over \$23,000 in the robbery.

In our search for clues, we found a bloody sneaker print left by one of the robbers, which they had overlooked, two blankets and seven shingle nails. The blankets were used to cover the windows so that the reflection of the torch that was used to burn the safe would not be seen from the outside.

The manner in which the crime was engineered led us to believe that it was pulled by some "professionals" with the aid of someone on the inside.

We asked for a list of all past and present employees of the Animal Farm. The very first day of the robbery we picked up Everett Wacome, as we knew that he had a criminal record and also had two brothers working at the farm. We wish to state that the brothers did not have anything to do with the robbery. We interrogated Everett for several hours to no avail. An agent of the Federal Bureau of Investigation assisted in the interrogation. At this time we had no evidence of any kind on which to hold him. He was released with our apologies and returned to his job in Lawrence. Had we kept him under surveillance, he would have led us to where the stolen money was hidden that same night, as we later learned that he went to the hideout where he met his partners in crime, to work on the safe.

One week later, I received a call from the Haverhill, Massachusetts Police. Two of their officers had chased a car for several miles and lost it. The operator was recognized and was known to be a "safe" man. The car was located in Methuen. A State Police Officer and I went to Haverhill where we searched the suspect's car. We found some steel "shavings" which had been dropped from a safe. We gathered them into a vacuum cleaner and had them analyzed at the Laboratory in Concord. They proved to be from some

safe, but we never found out from which one.

We interrogated the owner, who had been picked up by the police, but he was very defiant and denied any participation in the robbery. He stated that he would not tell us if he knew. We realized that from his actions and manner.

In the meantime our phones rang incessantly. We received calls from Police Departments, citizens and some from "crackpots". No matter how minute they seemed, each was thoroughly checked out.

Treasury Agent, Lester Roche, was assigned to assist me when it was learned that some guns were stolen in the robbery. Together, we drove thousands of miles throughout five states, questioned several hundred persons, visited a number of prisons, staked out numerous places, only to come home bitterly disappointed after many, many sleepless nights. Each time we thought we had been spotted, we changed cars. We used our personal cars as well as those provided by the Government.

After a very discouraging three months of getting nowhere, we decided on another angle. Theorizing that this gang may have pulled other jobs to obtain guns to use on this robbery, we checked records and found there had been a large gun robbery in Troy, New Hampshire about six months before the Animal Farm Robbery.

We went to Troy and obtained the numbers of the stolen guns from the owner of the gun shop. We also contacted the Sheriff's Departments, the Town Police and the State Police, but they didn't have anything on it. They didn't know, or have any ideas, who could have done it.

Our next stop was to the State Police Headquarters in Boston, where we left them a list of the stolen guns from Hudson and Troy. We also obtained a list of criminals who were known to use guns and violence in committing robberies.

When we had exhausted this list of suspects, we decided to cover the race track with the presumption that possibly the money stolen in the robbery was being gambled there. With the co-operation of the track police, we obtained the description of a man we suspected as one of the robbers. Plans were made to keep this man under surveillance from that day on. He frequented the race track and bet large sums of money. We practically lived with this suspect for over a month without his knowing that he was being shadowed. He was finally apprehended, but not until we had enough evidence to stand up in court and get a conviction as one of the robbers.

Then we received a call from a Maine Sheriff that two guns which had been stolen from the gunstore in Troy, N. H. had turned up there. Through the wonderful cooperation of the Sheriff, we ob-

THE FOLLOWING PAGES CONTAIN PHOTOGRAPHS  
TAKEN IN CONNECTION WITH  
THE BENSON ANIMAL FARM ROBBERY

1. What was left of the safe after the robbers got through with it.
3. Photo showing the telephone ripped from the wall, the adhesive tape used to tie the watchman and animal trainer and the bloodstained pillows that the men laid on as the safe was being cut up in the next room.
7. Treasury men watching and assisting in locating the safe.
8. Chief examining cash boxes that were buried with the safe.
10. Guns are found inside of the safe. These guns were one of the main items that we needed to convict the men in the robbery as we had the serial numbers and they checked with the numbers on the guns after they were dug out of the mud in the swamp on the Pelham and Methuen line.
11. Another photo of guns as they were taken out of the muddy safe.
12. Group of officers on range.

tained the auto registration number of a man who had sold the guns in Maine. He was from Tewksbury, Mass. We went to Tewksbury and interrogated this man who stated that he had purchased the guns from a man he knew as "Whitey".

The name "Whitey" was not new to us. We knew that Everett Wacome was also known as "Whitey."

A quick decision was made to raid the home of Everett Wacome. With the cooperation of the Dracut and Massachusetts State Police, we staged a raid on Wacome's home. A large truck was needed to cart out the many items that were found in his home. In checking our list of stolen articles, we observed that a number of the items answered the description of those stolen from homes in Hudson. As a result of this raid, seven breaks were cleaned up in Hudson.

Although Everett Wacome was picked up for violation of parole and returned to the Walpole State Prison, he insisted that all the articles that were in his home had been given to him.

How little people realize what a tough job it is to have a well known criminal, who has spent many years of his life in prisons, admit his participation in a crime, especially a crime of the nature of the Benson Animal Farm robbery.

Several more guns which had been stolen in Troy turned up in different parts of Massachusetts, but still nothing on the guns that had been stolen from Benson's.

During one of our many meetings in which we were continually sifting our information to see if we had overlooked anything, we finally decided that we had sufficient evidence on our main suspect, so that if shown, he might break down and tell us all we wanted to know about the robbery. It was not difficult to pick him up as we had him under surveillance. We had also received a tip from an informant that our suspect was planning to leave for parts unknown. Two Treasury Agents, two Lowell Inspectors and I converged on his home. On February 12th, almost eight months to the day that the robbery had been committed, Russell J. Bixby was taken into custody. He was taken to the Lowell Police Department Headquarters for interrogation. He was questioned until midnight from the time he had been arrested at 5:30 P. M. At midnight we asked him if he wanted something to eat and he said that he would like a cup of coffee. The six of us went out and had some coffee and a sandwich. Due to the number of interruptions at the Lowell Police Headquarters we decided to have Mr. Bixby accompany us to the Lowell Office of the Treasury Agents. Questioning was resumed and when we proved to Russell Bixby what we had and the amount of money that had been stolen, he finally, at 5:00 o'clock in the morning of the 13th of February, stated that he would take us to where the safe and guns, which had been stolen from the Animal Farm, were

buried.

No one will ever realize, or know, what a feeling one experiences when, after months and months of nerve-racking work, almost to the point of exhaustion, you reach the conclusion, the climax.

It was a very tired group of officers who got into two cars, and with Russell Bixby directing us, went to the hideout of the safe and guns.

No living persons, other than the ones who had buried it, could ever have found the spot. We then returned Mr. Bixby to the Treasury Agents' office and obtained a four-page written and signed statement from him implicating two other men. We lodged him at the Lowell Police Station and then went back to where the safe was hidden. After looking the scene over we decided that we needed a pump to draw the water off so that we could get at the safe. We located a man with a pump who was sworn to secrecy. After hours of pumping the water we had to remove a large stone which weighed in the vicinity of 300 pounds that had been put over the spot where the safe was buried. We dug in mud and muck and about three feet down we located the cash boxes and the safe. It was very well concealed.

I believe this was one of the greatest thrills of my life, and in the lives of the Treasury Agents, when we finally had the safe uncovered and found the three missing guns inside. We knew and were positive then, that we had all the proof needed for a conviction in our courts.

Our job was still a long way from being completed. Two men were in custody and an alarm was sent out for the third. Although the Treasury Department sent out word immediately to Chicago, where we knew Michael Rodziewicz was believed to be residing, he had already fled, leaving behind his wife and two children.

As time went on, we traced every lead we had in trying to locate him, but to no avail. We visited with Mr. Bixby and with Mr. Wacome, but they could not, or would not, furnish us with anything about Mr. Rodziewicz.

Michael Rodziewicz was finally apprehended in Florida.

I can now say these three men were responsible for a large number of robberies and breaks. All of the information we obtained relative to any breaks or robberies was given to the city or town where they had been committed.

You may have heard, or read, that there is honor among thieves. There is no such thing. One member of the gang kept nearly \$16,000. of the loot and the other two received approximately \$4,000 each. Convincing one of the robbers that there was about \$23,000. stolen was one of the things that finally persuaded him to

tell us all about the robbery.

About eight months had elapsed between the day of that gory crime and the final solution. The final chapter to this crime will be written when these three men, plus two others, who were involved, are brought before our courts and sentenced to prison where they rightly belong.

Once again persistence and perseverance paid off.

Many details and names have been omitted to protect our witnesses and sources of information.

We were very much pleased to learn that the Nashua Telegraph and the Radio Station WSMN called this story of the solution of the Benson Wild Animal Farm Robbery, one of the most important events which occurred in 1960.

We wish to state now that on January 11, 1961 indictments were returned against Michael Rodziewicz, Everett Wacome and Russell Bixby as the man who committed the robbery and indictments against Alexander Zeogas as an accessory before and after the robbery. One other secret indictment has been returned against one other man who was involved after the fact of the robbery.

I want to personally thank every one who assisted us in any way to the final solution of this vicious crime. The different police departments, treasury agents, citizens and especially my dear wife who really did a wonderful job in taking down information from the public and for the patience she had with me, when many times Treasury Agent Roche and I would come in at daybreak for a cup of coffee, get a couple of hours rest and start out again.

CHIEF ANDREW J. POLAK

## BOARD OF HEALTH REPORT 1960

### FOLLOWING DISEASES REPORTED:

Mumps	6
Scarlet Fever	21
Chicken Pox	9
Measles	61
Venereal (Out of Town)	1

### DEAD ANIMALS DISPOSED OF:

Dogs	19
Cats	33
Skunks	19
Squirrels	16
Rabbits	4
Birds	11
Muskrats	6
Racoon	7
Fox	1
Rats	3

Cases of water polution investigated 12

Homes inspected for Boarding Home Licenses 44

We are still having trouble with some persons who insist on transporting rubbish to the dump without its being covered. We have warned them and the majority have cooperated with us. We do not want to get "tough" with these violators but they are leaving us with no alternative but to give them a summons into court, if they persist in this practice.

**GIVE US YOUR COOPERATION. THIS IS YOUR TOWN AND IT IS YOUR MONEY WHICH IS SPENT TO CLEAN UP THE MESS THAT YOU LEAVE WHEN YOU FAIL TO COVER THE RUBBISH YOU TRANSPORT TO THE DUMP.**

## RECREATION COMMISSION REPORT FOR 1961

The Hudson Playground was opened to boys and girls from June 27th through August 26th, under the supervision of playground instructors Mary-Ellen Packor and Larry Kleiner. Craft program was under the direction of Mrs. Mildred Boulanger. Over 400 children participated during the season.

Special events were bicycle and doll parade, field day, treasure hunt, tournaments and a cook-out.

We would like to thank the following who donated food and helped to make the cook-out such a success: Hudson Super Market, Roland's White Cross Store, 20th Century Store, Ray Lefebvre's Clover Farm Store, Joe's Variety, Moore's General Store, The Meadows, and Edgar Trudeau for Nashua Bottling Works.

The committee with the assistance of Lester Gove, organized the Little League of Hudson. There were four teams, creating an In-Town League consisting of St. John's Men's Club, Lions Club, Philip Lamoy-Roland Abbott, Rodgers Brothers-French Agency and Hudson American Legion. The Lions Club team were the champions of the season.

Babe Ruth team was entered into the Inter-State League, consisting of Dracut, Tyngsboro and Hudson.

The craft program was held three times each week for eight weeks and attendance was at times over 100 in one day, so the group was divided into two age groups and was the best attended craft program we have had. Several new items were made during the season.

More groups have been using the Youth Center and we hope, with added improvements during the coming year, that more groups will enjoy the facilities.

We are still receiving many requests for a tennis court and we hope that this year we will be able to start working toward this goal.

FRANCIS E. FAIRFIELD  
Chairman

## BUILDING INSPECTOR'S REPORT 1960

CHIEF OSCAR P. CAMPBELL

## PREVENTION IS YOUR BUSINESS

Carelessness, **HUMAN CARELESSNESS**, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed—all because **MANY** are **CARELESS** with fire in and near woodland. This can be remedied. **YOU** can put an end to this shameful waste! **PREVENTION** is **YOUR** business!

**YOU**, whether **YOU** be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First—by setting a good example **YOURSELF**—being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second—by using **YOUR** individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for **YOU** and for them.

1. Before burning, secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning—don't leave it.
3. Make certain your fire, camp or debris, is **DEAD OUT** before leaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles—make sure they are out—use your ash tray.
5. Don't burn at home—use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires, 30  
Number of acres burned, 2½  
Number of permits issued, 491

WINTHROP H. HANNAFORD  
District Chief

OSCAR P. CAMPBELL  
Forest Fire Warden

**DIVISION OF MUNICIPAL ACCOUNTING**  
**STATE TAX COMMISSION**  
Concord, New Hampshire

**SUMMARY OF FINDINGS AND RECOMMENDATIONS**

September 22, 1960

Board of Selectmen  
Hudson, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Hudson which was made by this Division in accordance with the vote of the Town. This audit covered the twelve months period from July 31, 1959 to July 31, 1960. Exhibits as hereafter listed are included as part of the report which is made in two sections as follows:

Section I—Fiscal Year Ended December 31, 1959

Section II—Period January 1st to July 31st, 1960

**SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Road Agent, Trustees of Trust Funds, Police Chief ( Payroll Account), Hills Memorial Library and Hills Farm Cemetery Account.

**FINANCIAL STATEMENTS**

**Comparative Balance Sheets: December 31, 1958—  
December 31, 1959: (Exhibit A-1)**

Comparative Balance Sheets as of December 31, 1958 and December 31, 1959, are presented in Exhibit A-1. As indicated therein the Net Debt decreased by \$8,781.40 in 1959.

**Analysis of Change in Financial Condition: (Exhibit A-2)**

An analysis of the change in financial condition during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

### Decrease in Net Debt

Bonds Paid	\$7,000.00	
Long Term Notes Paid	7,100.00	
Increase of Cash in Hands of Town Officials	1,679.94	
	<hr/>	\$15,779.94

### Increase in Net Debt

Decrease in Accounts Receivable	\$ 774.54	
Tax Liens Transferred to Tax Deeds	1,571.62	
Net Budget Deficit	4,652.38	
	<hr/>	6,998.54
<b>Net Decrease</b>		<hr/> <b>\$8,781.40</b> <hr/>

### Comparative Statements of Appropriations and Expenditures— Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1959, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of \$12,019.97, less a revenue surplus of \$7,367.59, resulted in a net budget deficit of \$4,652.38.

### Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1959, made up in accordance with the uniform classification of accounts, is included in exhibit B-1. Proof of the Treasurer's balance as of July 31, 1960, is indicated in Exhibit K.

### Statement of Long Term Indebtedness: (Exhibit J)

A statement of outstanding long term indebtedness as of December 31, 1959, showing annual debt service requirements, is contained in Exhibit J.

## GENERAL COMMENTS

### Current Deficit:

The current deficit (excess of current liabilities over total assets) increased from \$4,543.65 to \$9,862.25, during 1959, as shown by the following statement:

	Dec. 31, 1958	Dec. 31, 1959
<b>Total Assets</b>	\$142,511.20	\$191,945.91
<b>Current Liabilities</b>	147,054.85	201,808.16
<b>Current (Deficit)</b>	(\$ 4,543.65)	(\$ 9,862.25)

### Appropriation Overdrafts and Application of Municipal Budget Law:

It is noted that in the fiscal year ended December 31, 1959, there was a net overdraft of appropriations amounting to \$12,019.97. In other words, total expenditures exceeded total appropriations by this amount as indicated herewith:

Overdrafts of Appropriations	\$15,294.03
Unexpended Balances of Appropriations	3,274.06
<b>Net Overdraft of Appropriations</b>	<b>\$12,019.97</b>

It may be stated, however, that included in this amount was an overdraft in the "overlay" account which amounted to \$3,652.46. Inasmuch as the amount which is raised for "overlay" is determined by the Selectmen rather than appropriated by the town meeting, it is not strictly speaking an appropriation account. Therefore, the actual net overdraft of budgetary appropriations would be as follows:

Net Overdraft of Appropriations	\$12,019.97
Less: Overdraft in Overlay Account	3,652.46
<b>Actual Net Overdraft of Budgetary Appropriations</b>	<b>\$8,367.51</b>

In accordance with the provisions of the Municipal Budget Law, RSA, Chapter 32, application was made to the Tax Commission by the Board of Selectmen, with the approval of the Budget Committee, for a certificate of emergency authorizing the excess of expenditures over budgetary appropriations. A certificate authorizing the Board of Selectmen to exceed appropriations was issued by the Tax Commission on January 4, 1960.

### Sewer Entrance Fees:

Individual ledger cards should be maintained for each property owner requesting connection to the town sewer system. The account should be debited for the cost at the completion of the entrance and credited for payments made. In this way the status of each account and the total amount of accounts receivable may be readily ascertained at all times.

### Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Hudson for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director  
Division of Municipal Accounting  
State Tax Commission

Edgar O. Pesquera, Auditor  
Dumont W. Bailey, Accountant

- Newgolts Guide to Modern Hobbies, Arts and Crafts — Gift of  
Sunset Club
- 8 books of literature — classics, Gift of Archie Slawsby Co.  
Juliette Low — Gift of Girl Scout Troop No. 32
- Dramatics and Ceremonies (Girl Scouts) — Gift of Girl Scout  
Troop No. 32

Our library continues to serve the people of Hudson. We have added over two hundred new borrowers this year. Books of all kinds and for all ages are in constant demand but the juvenile books are particularly popular. We have cooperated with the schools and purchased helpful educational and research books whenever our budget permitted. We now have 1448 borrowers, so you can readily understand why we need to purchase as many books as possible. Our librarian makes constant use of the State Library loaning service and the Bookmobile.

The basement room is used by the Girl Scouts, the Hudson Fortnightly Club and the Camera Club regularly and other town groups upon demand. If you wish to use this room please contact Mr. Richard Burns.

The library is yours, please come and use it and get acquainted with its many services.

MAUDE E. FRENCH  
Treasurer and Trustee

## THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Hudson, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the H. O. Smith Auditorium in said district on the 11th day of March 1961, at one o'clock in the afternoon, to vote for officers under Articles 1, 2, 3, and 4. Polls will be open from 1 P. M. to 9 P. M. Action on remaining Articles will begin at 7 P. M.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to raise and appropriate the sum of Six Hundred and sixty-two dollars (\$662.00) to erect a chain link fence along the boundaries of the Arthur Shepherd property for a distance of approximately 265 feet. Fence to be 5 feet in height and 9 gage wire (chain link).

10. By Petition of — Alphonse Smilikis, Clayton Smith, Laurent S. Brault and others: to see if the School District will vote to instruct the School Board to rent the portions of the Dr. H. O. Smith School now being used by them in accordance with the conditions of the previous year, to the Hudson Lions Club, Inc., each Wednesday evening until the next annual school meeting, at a rental of \$25.00 per week.

11. By Petition of — Arthur L. Lougee, Frank Wilson, Kenneth Clark, and others: To see if the School District will vote to convey to St. John the Evangelist Roman Catholic Church, Inc., Hudson, N. H., for the sum of One (1) Dollar and other considerations, a parcel of land situated to the rear of, and adjacent to the property of St. John the Evangelist School, and bounded approximately as follows:

Beginning at the northeasterly corner of the present land of St. John the Evangelist School and extending sixty (60) feet in an easterly direction along School St., thence in a southerly direction two hundred (200) feet to the northeasterly corner of Gamache property, thence in a westerly direction to the junction of Gamache and St. John the Evangelist School properties; thence in a northerly direction along the line of St. John the Evangelist School property to the point of beginning. Said property considered to be essential to, and to be used in conjunction with an expansion of the St. John the Evangelist School facilities. In the event that the proposed expansion is not carried out within a period of ten (10) years, the above described parcel of land will revert to the Hudson School District.

12. To transact any other business that may legally come before this meeting.

Given under our hands at said Hudson this 23rd day of February 1961.

# SCHOOL'S SHARE OF TAX DOLLAR

1959 - 1960

## REPORT OF SCHOOL BOARD

Early after the organization of the School Board for the past year, we were faced with the complete re-staffing of the Dr. H. O. Smith Jr. High School. The principal and all the teachers decided not to remain with us. In an attempt to maintain some continuity, Carter Hart, who was a teacher at Alvirne, was transferred to the principalship of the Dr. H. O. Smith Jr. High School. Mr. Hart with the new staff, we believe, has done an outstanding job in administering the school.

The remedial teacher which was provided for in last year's budget was not hired until a few weeks ago since no qualified candidate was available at the beginning of the season. The program has now been set up in the Dr. H. O. Smith Addition with approximately 15 children in the class.

During the past year the 8 room addition to Alvirne and the Vo-Ag building were formally completed and put into use. This has enabled the Industrial Arts area to re-organize its program, taking over the classroom formerly used by the Vo-Ag students, for teaching of shop math and mechanical drawing.

A contract was let in the fall for the landscaping and hot topping of the area around the new addition and as much of it as was practical was completed before the cold weather set in and the balance will be completed in the spring.

A group of interested citizens with mechanical backgrounds toured the Industrial Arts section of the school with the view to suggesting what could be done to make the machine tools and woodworking tools operative. Since the tour, several of the men have worked evenings repairing and putting the tools in order. The School Board wishes to express its thanks and the thanks of the School District for the work that they have done. Much more remains to be done, however, and a modest amount has been included in this year's budget to up-grade this important department of our school system so that students wishing training in industrial arts can have a better program.

The Webster School is badly in need of major repairs. Painting was postponed last year, and it is the feeling of your School Board that it should not be deferred another year. Certain sections of the roof must be replaced this year.

Installation of fire alarm equipment recommended by the fire safety committee for the Webster School has been very nearly completed. A fire alarm box has been installed on the exterior of the school. Horns and fire alarm heads have been installed as recommended in each classroom, closet, and in the boiler room area. The School Board wishes to thank the members of the Fire Department and other citizens who installed this equipment at no charge.

The line has been run to Alvirne and the fire alarm box mounted on the pole adjacent to the front walk. This will later be tied in with the alarm system in the building.

Work at the Dr. H. O. Smith School, which will consist of a fire alarm box mounted on the exterior of the building and alarm heads in the kitchen and boiler room area, has not been started as yet.

The School District is facing several problems for the future. With the elementary addition and the Alvirne addition our building program seems to be adequate for several years in the elementary area and high school area. The 8 rooms built by St. John the Evangelist Parish for an elementary parochial school seems to have taken care of the growth of the elementary school population for the moment. It does appear, however, that the next problem will be the Jr. High School area. The parochial school at the moment does not go beyond the 6th grade and will be transferring its pupils into our Jr. High School system, therefore, some investigation must be made as to the best action to take and when we must be ready for it.

JOHN P. LAWRENCE, Chairman  
WILLIAM L. ROBERTS, Clerk  
PAUL E. LeCLAIR

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the School District of Hudson. It is a pleasure to submit my sixth annual report as your Superintendent.

In making my report to you this year I would call your attention to the following table showing the projected enrollment for the school year 1961-62.

### ENROLLMENT PROJECTION 1961-62

Grade	1960-61	1961-62
1	90	119
2	90	93
3	99	80
4	88	94
	<u>367</u>	<u>386</u>
5	86	84
6	136	93
	<u>222</u>	<u>177</u>
7	126	125
8	146	131
	<u>272</u>	<u>256</u>
9	130	149*
10	96	132
11	78	98
12	81	82
	<u>385</u>	<u>461</u>
	<u>1246</u>	<u>1280</u>

\*Includes tuition pupils

You will note that the bulge is working its way through the Junior high school and into the upper grades of the high school. If the projection table tells us anything it indicates that teacher needs for grades 1-8 have probably been met as far as numbers are concerned. It is a different story in the high school, however, as the enrollment increases, class size increases, creating the need for more teachers. Consequently we find ourselves looking forward to 1961-62 with a need for two additional classroom teachers on the high school level. One of these teachers would absorb an additional load in Foreign Language and English while the other would relieve the overload in Commercial subjects, an area that has been on the overload borderline for the past two years. These teachers are a must if we are to maintain our present program at Alvirne.

Over the years there has been need for a full time Guidance person in the Hudson school system. Included in the budget this year is money for such a person. With the Alvirne enrollment as large as it is and with the current difficulties Seniors experience in getting into college, it is vitally important that we have a person who can give the time and trained counseling toward directing and guiding our young people into the proper channels. By the way, we shall receive \$1000. from NDEA toward a Guidance persons salary.

This all costs money, I know, but the boys and girls are there in the classroom, count them, and it is our (yours, the school board's, and mine) responsibility to give them the best educational opportunities we possibly can.

### New Teachers

I hope you will take a long look at the following list of new teachers. An entire new staff in the Junior high school certainly is not conducive to a stable forward looking program. It takes time for new teachers to establish themselves and their instructional program. While they are doing this the pupils are losing a part of their educational program that can never be regained. Is this something you want for your child? I hope you give it consideration when you vote on the item of teachers' salaries in your budget.

### High School

William Bolos, B.Ed. Plymouth Teachers College 1958 as teacher of Social Studies to replace Patrick Guimont who resigned.

Richard L. Cotter, B.Ed. Keene Teachers College 1960 as teacher of Social Studies to replace Carter Hart who became Principal of the Junior High School.

Mrs. Jessie E. Middleton, B.S. in Ed., Cortland State Teachers College in 1945 as teacher of Physical Education to replace Mrs. Edna Parkinson who resigned to remain at home.

Mrs. Winifred Perry, B.A. University of Illinois 1933, M.A. Northwestern University 1944, as teacher of General Science to replace Bertram Mills who resigned to accept a position in Franklin, N. H.

Frank C. Pizziferri B.S. Boston University 1960 as teacher of Social Studies to replace James Harwood who resigned.

James M. Reed, B.Ed. Keene Teachers College 1960 as additional teacher of Industrial Arts.

## Junior High School

Dalton A. Blodgett, B.Ed. Keene Teachers College 1960, as teacher of English and Social Studies to replace Mrs. Paula Juris who resigned to remain at home.

Theodore E. Gladu, B.A. St. Anselms 1955 as teacher of Mathematics to replace Mrs. Winona Scruton who resigned to remain at home.

Lyle Joyce, B.S. Boston University 1960 as teacher of Science to replace Miss Jeanne Ferland who resigned to accept a position in the Memorial high school, Manchester.

John A. Katsoupas, B.Ed. Keene Teachers College 1960 as teacher of Science and Math to replace Roger Terrill who resigned to accept a position in Milford high school.

Harry J. Murphy, B.S. University of Notre Dame 1959 as teacher of Social Studies to replace Mrs. Margaret McLane who resigned to accept a position in Arlington, Virginia.

Mrs. Bobbie Nash, B.S. in Ed. University of Alabama, 1939, as teacher of English to replace Morton Shea who resigned to accept a position in Needham, Mass.

Richard P. Quintal, B.S. Boston College 1957 as teacher of Mathematics to replace Richard Mika who resigned to accept a position in Derry.

Bruce E. Wallace, B.A. Arcadia University, Nova Scotia 1960 as additional teacher of Social Studies and English.

Theodore Saddic, B.Ed. Plymouth Teachers College January 1961 a teacher of Remedial Class. Mr. Saddic began his duties on January 30, 1961.

## Elementary

Mrs. Lois Malone, B.A. University of Mass. 1958 as teacher of grade 4 to replace Miss Marjorie Thompson who resigned to become married.

### Grade Division Chart

School	Grade	Division		Full Time Teachers	
		1960-61	'61-62	1960-61	'61-62
Ele. Addition	1-4	12	12	13*	13*
Webster	5-6	7	6	7	6
Junior High	7-8	8	8	9	9
Alvirne	9-12	13	15	20	22
		-----	-----	-----	-----
		40	41	49	50

\*Includes Remedial Reading Teacher

## Repairs and Replacements

The established program of painting two classrooms or their equivalent has again been carried out in our schools. Whenever possible minor repairs are done by the custodians themselves. The summer maintenance work was efficiently carried out by the custodians enabling us to open the school year with fresh, clean classrooms. There is a definite need for an outside paint job on the Webster School while the Dr. H. O. Smith School should be painted next year if not this. Your School Board is aware of the danger in allowing this kind of maintenance to build up to where it must all be done at once.

An item for an additional pupil station in the Home Economics room is included in the current budget. This is a must if our Home Ec. program is to come close to meeting the needs of larger classes. The hot topping around Alvirne has been advantageous and with the completion of the landscaping in the Spring we shall have an attractive school in an ideal environment.

### School Lunch

The School Lunch programs under Mrs. George Hurd and her helpers at Dr. H. O. Smith and Mrs. Gladys Canfield and aid at Alvirne are functioning smoothly and efficiently. A baking oven has been purchased through the N. H. Distributing Agency (War Surplus) and will be installed in the Dr. H. O. Smith kitchen this summer. This should allow for a greater use of surplus foods for baking purposes and will enhance the lunch program just that much more. These lunch programs are of great benefit to the pupils and deserve the support of all parents concerned.

### Instruction

Paul L. O'Neil, Helping Teacher has been tireless in his efforts to upgrade instruction. Full time Supervising Principals in the three larger buildings has aided materially in improving both administration and instruction. Cooperation between your Superintendent, Helping Teacher, Principals and teachers has been on a high level and is greatly appreciated by me. It all adds up to better educational opportunities for your children. As Mr. O'Neil's report deals in specifics as to your instructional program I shall say no more.

In closing I wish to express my appreciation to the School Board, citizens, teachers and pupils for their cooperation in working toward the goal of better schools for Hudson. I would also like to express my sincere appreciation to those organizations including the P.T.A., the Lions Club, Women's Clubs, American Legion and Alvirne Trustees for their interest in promoting better educational opportunities to your young people. It has been a pleasure working with and for you all.

Respectfully submitted,  
LOUIS L. RAMSAY

## REPORT OF THE HELPING TEACHER

Supervisory Union No. 27  
Office of the Superintendent  
School Street  
Hudson, New Hampshire

Dear Mr. Ramsay:

The follow paragraphs will constitute my annual report of the instructional programs in Supervisory Union No. 27 — Hudson, New Hampshire, January, 1961. At the outset, I will quote a few words from Henry Steele Commager who wrote on the alleged failures of the educational system:

“... Many of the failures we ascribe to contemporary education are in fact failures of our society as a whole. A society that is indifferent to its own heritage cannot expect schools to make good the differences. A society that slurs over fundamental principles and takes refuge in the superficial and the ephemeral cannot demand that its schools instruct in abiding moral values. A society proudly preoccupied with its own material accomplishments and well-being cannot fairly expect its schools to teach that the snug warmth of security is less meaningful than the bracing venture of freedom. In all of this, to reform our schools is first to reform ourselves.”

Social change affects the values and purposes of education; to say that there is need for structural changes in education is putting it mildly.

I am sure that the townspeople of Hudson want me to deal in specifics when I discuss their schools, (and let's not forget that the schools of Hudson ARE yours!) and the educational programs contained therein. Moreover, the people want to know if our curricular offerings maintain a healthy balance between what we know about the teaching and learning processes. Hudson folk want to know if their schools are keeping a watchful eye upon newer educational trends and developments. What is more, readers of this report will want proof that only those innovations which fit the needs of Hudson school children are considered, and ultimately put into operation. Lastly, friends of Hudson schools will enjoy a review of the philosophy around which our schools are functioning, for it is a sound philosophy, one that tends to keep our feet on the ground while our esprit-de-corps is high up on cloud seven.

In speaking of the complexities facing society today, Peter F. Drucker, in his *LANDMARKS OF TOMORROW*, sheds more light upon the subject when he says:

“. . . We are in the midstream today . . . but one thing is certain: The past is going fast. If there is one thing we can predict, it is change. The coming years will be years of rapid change in our vision, the direction of our efforts, the tasks we tackle and their priorities, and the yardsticks by which we measure success or failure.”

## MAINTAINING A HEALTHY BALANCE

Critics of late have caused considerable unrest amongst educator groups. “. . . Not enough of the three R's;” “Too many frills!” “More emphasis should be placed on this, or upon that;” “Schools cost too much!” “If it was good enough for us, it's good enough for them!” “There's too little discipline in the schools!” “We're lagging in the math and sciences;” I could go on ad infinitum. You have read these and many more. Let me make perfectly clear to you that I am of the opinion that much good has come from some honest sincere criticism in the last decade. But the good came from criticism based upon fact—not fiction.

Since Hudson engages a professional staff consisting of a superintendent of schools, an office of assistance called a Helping Teacher (both of whom are paid, in part, by the New Hampshire State Department of Education), and school principals who come to us well qualified and experienced—it is therefore up to these school administrators to keep the curriculum in balance. The mainstay in the nomenclature of any school system, however, is the teaching force—who are directly on the firing line. Naturally there needs to be created a comfortable teaching climate. An atmosphere wherein every teacher, principal, and administrator are team participants in the overall pattern.

You have elected a three-member school board to watch out for your interests in the school affairs of Hudson. They are really the overseers of the inner-workings of the educational structure. They spend long tedious hours at this task in your behalf. These men are sincere in their every attempt at improving our educational offering.

There are several common-sense avenues of approach to the creation of a healthy working atmosphere. The best ones I know of are most effective: (1) to give the schools proper and sufficient supervision; (2) frequent conferences with teachers pointing out strengths and weaknesses noted through such supervision; (3) planning in-service meetings or work-sessions whereby teachers become aware of newer techniques, skills, and devices, as well as to experi-

ment with them; and, (4) kindle a continuous two-way communication through which there is channeled a steady flow of information relative to the job expectancies. These media, and many others, are used most advantageously in Union No. 27 schools.

You have given your school administrators an opportunity to meet with other school leaders to consider the problems confronting education in general. Your school administrators have associated themselves with several organizations (national in scope) of a professional nature from which there is a wealth of information made available of such pertinent a nature so as to be of real take-home value to curriculum progress in Hudson.

There is a well-balanced program of studies being taught in the schools of Hudson. Well-established skills and techniques are introduced through the use of time-tested methods, the latter may be called traditional in a sense, but let's not forget that there are many, many good features in some older methods—yes, even in this **THE NEW FRONTIER!**

We are blessed with a conscientious staff of teachers who are anxious to do their utmost for the cause of education. There is a balance in the staff—a balance which makes the whole scheme run like clock-work—with your children the profiteers.

## EDUCATION FOR THE SIXTIES

I am happy to report that there are new developments and giant strides being inculcated into the curriculum. These new trends were not imposed upon your schools from the hierarchy in the central office. These trends and new directions as well as improved methods of instruction have come from the teachers and the principals. Careful and thoughtful as well as time-consuming research has gone into putting these newer developments into practice. If each of you were to take a tour of your schools tomorrow (and remember, you are always invited to do so) you might be amazed that Hudson School Children have so much to help them through their school life. Although not all-inclusive, here are but a few:

- a. moving about at regular schedules are such curriculum specialists as:

remedial reading	music	physical education
handwriting	art	speech therapy
- b. at the high school level one would find the beginnings of a most satisfactory language laboratory—where soon foreign languages will be taught through the use of electronic devices—some are already in use

- c. the many opportunities of the vocational agriculture program with its own building
- d. a well-defined art program, home economics, commercial, well-equipped science labs, machine-shops, woodworking shops, mechanical drawing room, (James B. Conant lauds the very kind of high school we may rightfully boast of here in Hudson)
- e. elementary reading programs arranged departmentally, grades 3-6
- f. three full-time supervisory principals in four schools
- g. needed improvements in school libraries through the acquisition of hundreds of books

These and many more have pleased me no end. I know you share this pleasure with me. I am honored to play a part in shaping your school affairs in Hudson.

Respectfully submitted,

PAUL L. O'NEIL  
State Helping Teacher

## PRINCIPAL'S REPORT

### Alvirne High School

February 10, 1961

Mr. Louis L. Ramsay  
Superintendent of Schools  
Hudson, New Hampshire

Dear Mr. Ramsey:

This past year has been one of steady improvement in enhancing the educational potential of the students at Alvirne High School. All areas have been strengthened, and new areas have been introduced.

Our shop department is in the process of being revamped and revitalized. An extra teacher has been added, and all shop equipment is being repaired and reconditioned to meet the demands of the students and the town.

This year we acquired a part-time librarian whose help is a step in the right direction. Our next problem with regard to the library was to have well-stocked shelves of reference material and books of educational value to accelerate the educational growth of all students. This matter we are in the process of effecting.

The area of most importance, one that has yet not been sufficiently delved into, is that of a full time Guidance Director. Again this year I emphasize this area as one of the most important areas of any school. A school without these facilities is without question hampered to the extent of not being able to foster the potentialities of its students. This area is a must and is foremost in my mind.

All areas considered this past year have been successful mainly because of the high caliber of teachers we have at Alvirne.

In conclusion, I want to take this opportunity to thank you, Mr. Ramsay, Mr. O'Neil, the faculty, School Board, school personnel, and the citizens of Hudson for the cooperation and assistance you have extended to me.

Respectfully submitted,

CHESTER J. STECKEVICZ  
Principal

## GRADUATION PROGRAM

PROCESSIONAL .....	“Pomp and Circumstance” Joan Millett, '61
INVOCATION .....	Rev. Donald A. Morrison
PRESIDENT'S WELCOME .....	Frank A. Burbank, III
CLASS SONG .....	“Halls of Ivy” Mr. Raymond Bartlett, Director Joan Millett, Accompanist
COMMENCEMENT ADDRESS .....	Dr. Lloyd P. Young Keene Teachers College, President
PRESENTATION OF AWARDS .....	Mr. Chester J. Steckevicez Principal
PRESENTATION OF DIPLOMAS .....	Mr. Louis L. Ramsay Superintendent of Schools
ALMA MATER .....	Class of 1960
BENEDICTION .....	Rev. John J. Belluscio
RECESSIONAL .....	“Pomp and Circumstance”

### Class Officers

President .....	Frank A. Burbank
Vice-President .....	Vance R. Kelly
Secretary .....	Mary A. Kupchunas
Treasurer .....	Carol A. Drown

## Class Roll

Carl Frederick Anderson, Jr.	Arthur Gerard Guerette
Genevieve Judith Atkochaitis	Loren Robert Hardy
Charlotte Loretta Bache	Albert James Hunnewell
Dennis George Baker	Richard William Hurd
Winfield Leon Belanger	Vance Randolph Kelly
Galen Wallace Bills	Judy Ann Korpeter
Nathalie Joann Boilard	Mary Alice Kupchunas
Alice Thelma Bonnette	Paul Gerard LeBlanc
Kenneth Joseph Braccio	John Dexter Leland
Frank Albert Burbank, III	Irene Jane Levesque
Wallace Everett Burton	Kenneth Edward Mayberger
Raymond Edward Carroll	Donald Ernest Messier
Pauline Joanne Case	Douglas Arthur Messier
Gerald Vincent Casey	Carol Anne Oban
Daniel Adolph Chaplick	Mary-Ellen Packor
Leon Adelbert Cook, Jr.	Lucien Roger Pelletier
Susan May Cookman	John Carroll Quigley
Richard Freeman Crosby	Linda Lee Ramsay
Robert Charles Dean	Jacqueline Marie Reilly
Armand Anthony Decoteau, Jr.	Lois Flora Reynolds
Joyce Elaine Demers	Robert Adelard Roy
Sylvia Lurena Donah	Walter Albert Sidney
Carol Ann Drown	Ralph Charles Sirois
Betsy Ann Estey	Donna Beverly Smith
Alan Francis Fairfield	Elaine Carol Smith
Allan Ross Ferbert	Ralph Leonard Steele
Carol Judith Fuller	Claire Anne Trudeau
Eldene Merle Gagnon	Sandra Mary Usovicz
Gene Raymond Gravelle	Carol Ann Whittemore
Lydia Norma Grohosky	Kathryn Wanda Whittemore

## AWARDS AND SCHOLARSHIPS

Graduated with honors. Upper quarter

Whittemore, Carole, Valedictorian	Estey, Betsy
Packor, Mary Ellen, Salutatorian	Case, Pauline
Levesque, Irene	Bonnette, Alice
Crosby, Richard	Smith, Elaine
Kupchunas, Mary	Mayberger, Kenneth
Bills, Galen	Chaplick, Daniel
Burbank, Frank	Donah, Sylvia
Leland, John	

Student Council Award—\$100.00 to Frank Burbank

Hudson P.T.A. Scholarship—\$100.00 to Walter Sidney

American Legion Auxiliary Award for Nursing—\$25.00 to Eldene Gagnon

The Future Farmers of America Award—\$20.00 to Carl Anderson

American Legion Award for Americanism—\$100.00 to Carol Whittemore

Hudson Fortnightly Club Scholarship—\$25.00 to Walter Sidney and Sandra Usovicz

Hudson Lions Club Scholarship Award—\$100.00 to Mary Ellen Packor

Hudson Lions Club Scholarship Award—\$100.00 to John Leland

Hudson Lions Club Scholarship Award—\$100.00 to Richard Crosby

Hudson Lions Club Scholarship Award—\$100.00 to Galen Bills

Mr. Ralph Kelley Awards for the Student Most Improved in English—\$25.00 Defense Bond to Jenny Atkochaitis and Wallace Burton

Wattannick Grange Award—\$25.00 to Carl Anderson

D.A.R. Good Citizenship Award—Mary Ellen Packor

Bausch and Lomb Honorary Science Award—John Leland

Betty Crocker Homemakers of Tomorrow—Sylvia Donah

Babe Ruth Good Sportsmanship Award—Mary Ellen Packor and Daniel Chaplick

Proficiency in English—Mary Ellen Packor

Proficiency in Science—John Leland

Proficiency in Art—Linda Ramsay

Proficiency in Social Studies—Carol Whittemore

Proficiency in Agriculture—Carl Anderson

## Dr. H. O. Smith Junior High School

Mr. Louis L. Ramsay  
Superintendent of Schools  
Hudson, New Hampshire

Dear Mr. Ramsay:

A considerable portion of the academic year has been spent in staff orientation. A teacher new to the profession, and to the community, should consider community values, student needs, and specific educational philosophies and policies, as influencing factors on the effectiveness of his teaching role. The importance of this prerequisite was amplified by the existence of a totally new faculty at Dr. H. O. Smith Junior High. Thus the period of adjustment was somewhat extended with the accompanying loss of educational effectiveness.

A report on the Dr. H. O. Smith Junior High program would be more informative and precise if the intent and purpose accompanied the listing of the individual activities of faculty and students. Obviously this is not feasible nor desirable for inclusion in a town report. However, a meaningful interpretation of the Dr. H. O. Smith Junior High program can be achieved by reference to a goal. In a recent report, the National Education Association summarized in a concise manner the purpose and program of a junior high school:

The junior high school was developed to meet the distinctive needs of the early adolescent and to provide opportunity for him to determine aptitudes and interests.

The junior high school advances the learnings in the subjects begun in the elementary school and initiates or continues foreign languages, industrial arts, basic business, home arts, and handicrafts.

The student in the junior high school has several teachers instead of one as is typical in the elementary school. He learns to work in a schedule and assumes more responsibility for himself. Special interests and abilities are identified and used in guiding learners into programs most suitable for them. This is a time of exploration of interests and rapid physical change.

The goal of the administration and faculty of the Dr. H. O. Smith Junior High School is to create and maintain a similar program compatible with existing educational values, policies, and facilities. The following items indicate progress toward this goal:

1. The creation of elective and selective courses in Algebra and French serve as experiments in curriculum enrichment.

2. The existence of a limited physical education program for boys and a planned program for girls recognize this specific need of the early adolescent.
3. In the extra curricula area, such activities as drama, chorus, and public speaking allow for self-expression, while cheer-leading, basketball and science clubs fill other needs of the junior high student.
4. Individual student needs will be considered with the planned formation of a remedial class designed to provide close attention to the specific academic problems of the student.

In closing let me request consideration of these specific areas as necessary in achieving the aforementioned goal:

1. Refurbishment of existing physical facilities to provide a more positive environment for your child's educational experiences.
2. Increased communication between parent and educator leading to cooperation beneficial to the student.
3. Retention of a satisfactory faculty to minimize such problems as orientation, and gain the more concrete value of experienced teaching.

May I take this opportunity to thank Mr. Ramsay, Mr. O'Neil, the faculty and the people of Hudson for the assistance and cooperation given me.

Respectfully,

CARTER B. HART  
Principal

## Dr. H. O. Smith Elementary Addition

Last year only one teacher resigned from our faculty. We were very fortunate in securing a young teacher with two years' experience to replace her. A staff of experienced teachers working for the interest of the child helps to make a good elementary school. Reading in the lower grades is important. Children are grouped according to their reading ability. In the three third grades the classes are combined and grouped into four reading groups. Miss Florence L. Parker, our Remedial Reading Teacher, takes the fourth group. This plan was carried on with the fourth grades last year and the teachers felt that it had many advantages. Arithmetic, Science, Language Arts, Social Studies, Music, and Art are in the curriculum. An Art Supervisor at this level is needed, and I am looking forward to having a consultant who will visit the classroom and assist the teacher with the program. Children are supervised from the time the first bus arrives at 7:55 A. M. until the last bus leaves the school at 3:30 P. M. The members of the Alethea Club have been most generous in sponsoring hot lunches for some of our children. The generosity of the Lions Club at Christmas is appreciated by all the members of our school.

My fourth year as supervising principal has been most rewarding due to the cooperation of the teachers, parents, Mr. O'Neil, Mr. Ramsay, and the School Board. May I take this opportunity to thank them.

Respectfully submitted,

HELEN M. PARKER  
Supervising Principal

## WEBSTER SCHOOL

The role of the teaching-principal in this town gives one valuable experience in administration and an opportunity to make valuable use of many educational ideas in the classroom. The foundation of a child's education lies wholly in the hands of the elementary school program. What we attempt to develop at Webster School is the ability to work with every child at his level of understanding. One of the major ways this can be undertaken is through teamwork in the classroom, placing the children in various groups and working with them at their own level.

We have continued the Joplin Reading Program at Webster School in cooperation with the other elementary school. A night at P.T.A. this Spring will be devoted entirely to this subject. The Bookmobile aids our reading facilities when it brings books to us every two months. The supervisory work of the Rinehart Handwriting System is an asset to our school as well as the music program under Miss Teresa Grace. This year Webster School will present the annual operetta.

The children under the teacher's supervision continue their hours activity of physical education each week. The teachers have worked hard in the areas of language arts to have our school compete in the annual spelling contest.

Field Trips will highlight the Spring season for the classes at Webster School again this year.

The teachers are most concerned with the attitude, conduct, and respect of the student towards his work. All the cooperation from the parents in this area is certainly appreciated.

There are two hundred fifteen students in seven rooms this year and each room is served by a teacher who has had experience in this school. We are pleased to have gained another year of happiness with our work in your town. From our own Webster School Fund we raised enough money to send many of our teachers to represent your town at major educational conferences.

I wish to sincerely thank all my teachers, the parents, and school officials for all their interest in the Webster School this past year.

Respectfully submitted,

WILLIAM G. WEBB  
Teaching Principal  
Grades V and VI

## TEACHERS FOR THE SCHOOL YEAR 1960-61

### Alvirne

Chester J. Steckevicz, Principal

Baggs, James	English & U. S. History	11
Bechard, Robert	Biol., Physiology, Physics, Chem.	10, 11, 12
Blanchard, Sheldon	Algebra, Adv. Math, Geometry	10, 11, 12
Bolos, William	Civics	9
Booska, Emery	Agriculture	9-12
Cotter, Richard	Prob. of Dem., Physical Science	11 and 12
Dutton, James	Shop & Shop Math	10 and 11
Fuller, Barbara	J.B.T., Algebra, Guidance	9
Gardner, Nicholas	English, Math	9 and 10
Hennessey, Hazel	Art	9-12
Janocha, Lois	Commercial	10, 11, 12
Kahn, Barbara	English	11 and 12
Knightly, Marion	Home Economics	9-12
McCullough, Gordon	Physical Education	9-12
Middleton, Jessie	Physical Education	9-12
Perry, Winifred	Science	9
Pizziferri, Frank	History & Sociology	10, 11, 12
Reed, James	Shop	9 and 12
Rine, H. Louise	English	9
Smith, Charlotte	Languages	9-12

### Junior High

Carter Hart, Principal

Blodgett, Dalton	Murphy, Harry J.
Gladu, Theodore	Nash, Bobbie R.
Joyce, Lyle	Quintal, Richard P.
Katsoupas, John A.	Wallace, Bruce

### Webster

## REPORT OF THE SCHOOL NURSE

To the Superintendent, School Board Members, and Citizens of Hudson:

Following is a brief resume of the school health program:

The number of pupils physically examined and periodically inspected in the schools total 1468. Physical defects found were minor.

Scarlet Fever especially in the lower grades has been very prevalent during the Fall and Winter months.

Our annual pre-school clinic held in April was well attended. Physical, dental and visual examinations were given at this time, also vaccinations to those desiring them.

Parents are most cooperative in reporting illness, especially contagious diseases, also very interested and prompt in having any defects corrected.

I am very grateful to the local Nurses, Doctors, teachers and ladies of the community who helped with the clinics.

It is only through this fine cooperation that a successful health program can be carried through.

Respectfully,

HELEN J. HOUSE, R.N.  
School Nurse

## THE HUDSON SCHOOLS FIRE SAFETY COMMITTEE REPORT

The Hudson Schools Fire Safety Committee was formed for the purpose of making a study of the practicability and cost of installing fire alarm and safety devices within the school buildings of the Town of Hudson. The committee has systematically inspected all of the buildings, making note of critical sites where fire alarm devices were felt to be necessary and making note of other items pertinent to fire safety which were felt to be in the best interest of the students using these buildings.

The recommendations were presented in detail in the **Annual Reports of the Towns of Hudson for 1959**. This report is based on a recent inspection of the school buildings for the purpose of assessing progress in the installation of safety equipment and in the removal of certain potentially hazardous conditions.

### Webster School

The Webster School represented the largest fire hazard due to its wooden frame construction, hence most of the work accomplished to date has been concentrated in this building. The following items were installed:

1. A fully automatic fire alarm system was wired directly into the fire station. This is a "supervised" system with an automatic trouble finding feature.

2. The old fire alarm pulls have been replaced with new ones inside the building. In addition, extra pulls have been added inside the building and a pull was added on the outside.

3. Seventy-five percent of the recommended fire alarm heads originally recommended have been installed and are now in operation. The remainder will be installed shortly.

4. The fire escape has been completed as recommended.

Further recommendations include:

1. A ten-pound dry powder extinguisher outside the boiler room door.

2. An extra alarm head in the closet under the stairs in the basement.

### Dr. H. O. Smith School

No substantial progress can be reported in this building. Inspection revealed the following matters which should be corrected:

1. The wiring in the kitchen above the dish washing machine should be replaced with wiring which meets normal building standards.

2. The extension cord wound around the water pipe in the kitchen should be eliminated and a lamp fixture installed using permanent wiring.

3. New receptacles are needed in the four-way outlet box in the kitchen.

4. Paper towels should not be stored in the fire extinguisher cabinets.

5. A protective cover is required on the outlet in the stage floor.

6. Inflammable voting booth equipment should not be stored in the stage area.

### Alvirne High School

1. New fire alarm pulls have been installed.

2. Alarm horns have been installed.

3. The fire alarm system land-line between the fire station and the building is installed.

The wiring recommendations have not been carried out in the shop. Some rather serious hazards exist in both the auto and wood-working shops.

1. A general cleanup of the shop area is needed. The committee feels that the area is badly cluttered up with inflammable debris, open oil waste containers and sawdust. This is a matter of immediate urgency.

2. Explosion-proof motors should be used on the woodworking shop machinery to protect against sawdust, or proper dust shields should be provided on this machinery.

3. The circuit breaker box in the woodworking shop should be moved from the ceiling to an accessible location beside the entrance.

5. The refuse containers and oil mops should be removed from the upper and lower stage area.

6. Safety covers should be provided for the exposed electrical terminals on the backstage light dimming rheostats.

### THE HUDSON SCHOOLS FIRE SAFETY COMMITTEE

GORDON L. SMITH, Chairman

VICTOR A. MISEK, Clerk

ROBERT BRYANT, Committeeman

JOSEPH PACKOR, Committeeman

CHIEF OSCAR CAMPBELL, Committeeman

JOHN LAWRENCE, School Board

**REPORT OF  
ALVIRNE HIGH SCHOOL BUILDING COMMITTEE**

The eight room addition to Alvirne and the Vo-Ag Building were completed during the year. As much of the landscaping and hot topping that could be completed before cold weather has been done. Following is a statement showing the activity in the Building Fund account to date:

Receipts:		
Proceeds from Bond Issue	\$216,000.00	
Premium on Bond Issue	494.64	
Interest	324.00	
Damage Claim B&M Railroad	38.29	
Architect Fees from School District		
Budget	4,700.00	
Total Receipts		\$221,556.93
Expenditures:		
Seppala & Aho Construction Co.	\$183,575.32	
Irving W. Hersey Architect	4,700.00

Ralph C. McKay	Paul E. LeClair, School Board
G. Phillip Rogers	William Roberts, School Board

## RECORD OF ANNUAL SCHOOL DISTRICT MEETING

Held at Dr. H. O. Smith School, March 5, 1960.

Meeting called to order at 1:12 P. M. by Moderator Leo Bernard, and Articles 1-5 of Warrant read.

Moderator announced that the clerk, Miss Jessie Gilbert, would be unable to take minutes of the meeting. Paul LeClair nominated Ralph Kelley to act as clerk pro tem. Motion made by Ned Spaulding that the clerk cast one ballot for Mr. Kelley as clerk pro tem, seconded, and voted, and ballot cast.

Then voted that further reading of the Warrant be dispensed with until 7:00 P. M.

JESSIE S. GILBERT, Clerk

Voting continued throughout the afternoon.

Meeting was again called to order at 7:02 P. M. by the Moderator. Invocation given by Rev. Francis Clifford, and salute to flag led by Larry Brault.

A five-minute recess was declared for the purpose of making a presentation to the retiring School District Clerk and Treasurer, Miss Jessie S. Gilbert. Supt. of Schools Louis Ramsay read a statement in recognition of her many years of service to the town and school district of Hudson, and presented her with a bouquet of flowers and a purse of money, to which she responded with thanks.

Moderator mentioned typographical error in the 1959 Town Report, page 129, line 3—1949 should read 1959. He requested all amendments or resolutions to be presented in writing. Persons allowed to speak once on any item until everyone else wishing to speak has been recognized.

Then proceeded with reading of the Articles.

Motion by Bednar, seconded by Munday, to take up Article 12 first. Bednar spoke in favor of the motion.

Discussion followed. Motion was defeated.

Moderator announced that the Clerk, Miss Gilbert, had indicated earlier that she could not take minutes of the meeting, and Mr. Ralph Kelley had been elected Clerk pro tem.

Article 6 was then read by the Moderator.

Motion by Lawrence, seconded by Spaulding, that Article 6 be taken up with Article 9, was passed unanimously.

Article 7. William Roberts moved to adopt and file reports of Agents, Auditors, Committees, or Officers chosen, as they appear in the School District report. Seconded by Spaulding.

Bednar requested a breakdown of the Alvirne School report showing amounts spent for equipment, additions, and alterations. Answered by Lawrence—no such breakdown in the report. Bednar wanted Clerk to note that this question had been raised.

Moderator ruled it not germane to the issue at hand.

Moderator called a two-minute recess for conference, then ruled the motion specific—any reports not included in the School District report are not accepted by this action.

The motion was then voted favorably.

Motion made by Dr. Quigley that the Hudson School Fire Safety Committee be continued for another year. Moderator ruled against the motion under this Article, and the motion was withdrawn.

Article 8. Dr. Quigley moved that the Hudson Fire Safety Committee be appointed for another year with the same personnel (Gordon L. Smith, Chairman; Victor Misek, Clerk; Robert Bryant, Joseph Packor, and Chief Oscar Campbell, committeemen). Motion seconded by several, was accepted by unanimous vote.

Motion by Brault to accept Article 8, was seconded and voted favorably.

Article 9. Moderator announced previous vote to take up Article 6 with Article 9, so read Article 6 first.

Motion made by LeClair to adopt the budget as submitted by the budget committee, as printed on pages 88-89 of the School District report, subject to Article 10 of the Warrant.

Bednar moved that the budget be taken up item by item. Moderator ruled this motion out of order, as a motion was already on the floor—would have to submit as an amendment to the existing motion.

Bednar moved to strike out all words of the previous motion after "I move" and insert ". . . that we discuss the budget item by item." Motion was seconded.

Remarks by LeClair, Jette, Pointer, Boucher and Bednar followed.

Vote was then held, and the motion to amend did not carry.

Lengthy discussion ensued, with Bednar repeating request for breakdown of costs for adding, equipping, altering Alvirne School property.

Lawrence gave figure of \$216,000.

Further discussion. Someone from the floor thought Bednar out of order. Moderator declared Bednar not out of order. Harrison Smith challenged the Moderator's ruling and Moderator called for vote to sustain or override his decision—saying a "Yea" vote would be in favor of his ruling, a "No" vote against.

Clerk questioned clarity of Yea and No Vote. Moderator then said a "Yea" vote would uphold the challenge, and a "No" vote would vote it down.

Smith withdrew his challenge.

Motion for previous question was declared out of order.

At 8:50 P. M., Moderator declared a ten-minute recess.

Reconvened at 9:03 P. M. Moderator declared the question by Bednar out of order.

Motion made by Hinton that any person talking on any subject at this meeting be limited to not more than five minutes—was seconded. Point of order raised from the floor that this motion was out of order. Moderator ruled it in order.

Lynch, Canfield, and Levesque appointed as tellers. The vote: 103 in favor, 72 against, so motion failed to pass (had to have 2/3 vote, or 116 in favor, to pass).

Further lengthy questioning by Bednar, and discussion.

Nutting moved the previous question. Moderator ruled this a legal motion. Challenged by Hinton, Moderator reversed himself, declared the motion out of order. This ruling was then challenged.

Quigley complained of delay, noting that for one hour and 33 minutes Bednar had held the floor. Motion by Quigley to limit debate to one minute for each person talking, declared out of order by Moderator. Quigley challenged the ruling.

Smith moved for previous question, seconded, but ruled out of order by Moderator. Several exceptions taken.

Moderator explained a "Yea" vote would go against his ruling; a "No" vote would uphold it. Same three tellers appointed (Lynch, Canfield, Levesque). The vote: Yea, 120; No, 47. Moderator declared himself overruled. Previous question was called for (9:40 P. M.) at which point Smith withdrew his request for the previous question.

Motion made by Quigley to limit debate to 15 minutes per person, seconded by several. Moderator explained this would require a 2/3 vote to pass. Vote taken, was 159-13 in favor.

Further discussion on various expense items in budget.

Moderator declared a 10-minute recess at 10:01 P. M.

Reconvened at 10:16 P. M. (still discussing Articles 6 and 9).

No further discussion. Motion to adopt the budget was submitted by the budget committee, \$394,147.15, subject to Article 10 of the Warrant, was seconded and voted unanimously.

Article 10. Brault moved for adoption of the Article, seconded by Roger M. Boucher. Brief discussion ensued. Vote taken, was unanimously in favor.

Article 11. Moved by Smith, seconded by Brault, to adopt. No discussion. Accepted by unanimous vote.

Article 12. Moved by Spaulding and seconded that the meeting adjourn. Chair ruled the motion has no privilege—is debatable.

Motion made by Quigley, seconded by several, to lay the Article on the table. Chair declared this motion not in order (motion already on the floor).

Moved and seconded to lay the motion to adjourn upon the table. A majority voted in favor.

Motion by Quigley to lay Article 12 on the table, was seconded. A majority voted in favor—motion carried.

Article 13. Bednar moved for adoption of this Article. Motion was seconded. Bednar spoke briefly in favor.

Comments made by Spaulding, Quigley, Smith. Question by Smith whether business meetings were to be held together, or just the election—Chair interpreted the Article as worded to mean just the election.

Motion made by Smith, seconded by several, to lay the Article on the table, was accepted by majority vote.

Article 14. Moved by Gordon Smith, seconded by several, to lay this Article on the table—motion passed by majority vote.

Motion to adjourn, by Spaulding, seconded by several.

Motion by Arthur Lougee that the school district make a duplicate copy of the original tape recording of the meeting within one week, the tape to be marked “duplicate” and be the only tape released by anyone other than the school officers.

Chair ruled the motion debatable.

A three-minute recess was taken by the Chair, following which Moderator said the motion to adjourn could be repeated.

Lawrence offered an amendment to the motion, that the tape recording be made available to any voter by appointment and played back under supervision of the school district clerk or other authorized person.

Chair read from the book of parliamentary law on motion to adjourn—declared the motion open to debate.

Quigley moved for previous question (motion to adjourn). A majority voted in favor.

Motion to adjourn carried by majority vote.

Meeting adjourned at 10:54 P. M.

## Announcement of ballot

Total votes cast, 502.

Moderator: Ned Spaulding 283 (elected), Leo Bernard 55, John Bednar 53, Lake Munday 7, Larry Brault 6, 1 each for George Kierney, Paul LeClair, M. Carter, Ed Steckevecz, Ralph Kelley, Arthur Smith, Adolph Chaplick, Lionel Boucher, Robert Provencher, W. Roberts.

School Board (1-year term): William L. Roberts 287 (elected), Lionel R. Boucher 180, R. Latour 11, John Bednar 3, Clayton Smith 2, 1 each for Frank Wilson, Ed Steckevecz, and Don Shepherd.

School Board (3-year term): Paul E. LeClair 417 (elected), John Bednar 7, R. Latour 5, Frank Wilson 2, 1 each for Lester Gove, Lake Munday, and Robert Jasper.

Treasurer: Ralph A. Kelley 388 (elected), Gerald Boucher 90, John Bednar 2.

Clerk: Ralph A. Kelley 384 (elected), Gerald Boucher 94, John Bednar 2.

**July 19 - 21, 1960**

## SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 12, 1960

The School Board  
Hudson School District  
Hudson, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Hudson School District for the fiscal year ended June 30, 1960, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

### SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

### FINANCIAL STATEMENTS

**Comparative Balance Sheets—June 30, 1959 - June 30, 1960:**  
(Exhibit A)

Comparative Balance Sheets as of June 30, 1959 and June 30, 1960, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$23,891.73 during the fiscal year ended June 30, 1960.

**Analysis of Change in Financial Condition:** (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

**Comparative Statements of Appropriations and Expenditures—  
Estimated and Actual Revenues:** (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1960, are presented in Exhibits C and D. As indicated in the budget summary (Exhibit D), a net unexpended balance of appropriations of \$43,576.77, less a net revenue deficit of \$43,297.21, resulted in a net budget surplus of \$279.56.

### Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1960, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance (General Fund Account), as of June 30, 1960, is indicated in Exhibit F.

### Building Fund Accounts: (Exhibits J & K)

Statements showing the activity in the Alvirne High School Addition account and the Smith School Building Fund account are presented in Exhibits J & K, respectively.

### High School Activities Accounts: (Exhibit L)

The High School Activities Accounts were examined and a summarized statement of these accounts is included in Exhibit L.

### Statement of Bonded Indebtedness: (Exhibit O)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1960, showing annual debt service requirements, is contained in Exhibit O.

## GENERAL COMMENTS

### Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased from \$7,908.31 to \$800.04, during the fiscal year, as shown by the following statement:

	June 30, 1959.	June 30, 1960
Total Assets	\$249,470.38	\$34,358.70
Current Liabilities	241,562.07	33,558.66
Current Surplus	<u>\$ 7,908.31</u>	<u>\$ 800.04</u>

**Conclusion:**

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Hudson School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director  
Division of Municipal Accounting  
State Tax Commission

Edgar O. Pesquera, Auditor  
Dumont W. Bailey, Accountant

August 12, 1960

**Certificate of Audit**

This is to certify that we have examined and audited the accounts and records of the Hudson School District for the fiscal year ended June 30, 1960. In our opinion, the Exhibits presented herewith reflect the true financial condition of the School District on June 30, 1960, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director  
Division of Municipal Accounting  
State Tax Commission

Edgar O. Pesquera, Auditor  
Dumont W. Bailey, Accountant
